Re: eLearning at MACCRAY Sr. High School

Dear MS/HS Parents/Guardians -

I hope this letter finds you all well, as we venture into the heart of the holiday season. With this comes the possibility of snow, and we have been busy this fall preparing for how to handle any eLearning Days that may pop up.

Last spring, in the midst of our many, many make-up Mondays, the MACCRAY School Board tasked the Administrative Team with coming up with a solution to make our eLearning more rigorous and school-like. Since then, we have come up with a new schedule and new teacher expectations for those days.

Details:

- In the event of an eLearning Day, the teachers will present mini-lessons for each scheduled class period.
- Attendance will be taken each period. Students do NOT need to check in for Advisory and Study Hall.
- Excused absences must be called into the school, and students will still be expected to complete the missed work like a normal school day absence.
- Each hour, Teachers will present the lesson and provide approximately 10 minutes of work time.
- Teachers will have office hours from 1-3P to answer emails, return calls, or meet online with students.
- This schedule also applies for a transition from a 2-hour late start into an eLearning Day.
- Early out days **will not** have eLearning.
- Please see the back of this document for the schedule.

The students will have had an opportunity to practice this model with their classroom teachers. To make these days a success, it is imperative that students bring their Chromebooks and chargers between school and home over the winter months, and we will do our best to announce reminders when the weather is looking tenuous.

Again, please see the reverse of this letter for the schedule. Wishing you well.

Cordially,

Judd K. Wheatley
Principal, MACCRAY Sr. High School
