Training Session
Monday, February 16, 2023 6:00 PM
MACCRAY Board Room**

Members Present: Julie Alsum, Debi Brandt, Carmel Thein, John Hagemeyer, Mark Kasella.

Others Present: Sherri Broderius, Superintendent; Judd Wheatley, HS Principal; Kali Camacho, Clara City Herald.

MSBA shared the stakeholder survey report in two iterations. They are posted on the website. There were 105 respondents. 74 of the 105 respondents added additional open question suggestions for the board to consider. The board has all of that information to consider in their work forward.

The board opted for "interview committees" to be present in round two of interviews. Each interview committee may have one representative with a maximum of 7-10 representatives. The committees will only take notes and a form will be provided to them. The notes will be tallied and considered by the board during deliberations. It is important to remember that the final decision is that of the board. This is the only employee the board hires.

The following are examples of committees:

Elementary teacher (P-5)

High School teacher (6-12)

Admin

Paraprofessional

Food Service/Custodial

Student

Parent

Business Owner

This plan is to have stakeholders at the second round of interviews.

The school board received training on the hiring process. Topics were:

1. Review of Open Meeting Law.
2. Data Privacy of candidate information. Candidates will only be named when selected for an interview.
3. Make a good impression as candidates are also considering if they want to continue the process based on interactions with the board.
4. Take good notes that follow data privacy.
5. Don't settle.
6. Avoid bias.

The board considered questions for Round 1 interviews.

Final decisions will be made at the February 27 meeting.

Respectfully submitted,
Carmel Thein, Clerk
Kim Sandry, Business Manager

Board Report
MACCRAY Senior High School
March 13, 2023

Student Support:

- We held a course registration fair on February 16th for 9-11th grade students. They were able to learn more about the MRV-CTE (Minnesota River Valley - Career and Technical Education) offerings along with our MACCRAY elective offerings for next year.
- Ryan Luft - WC-CEO (West Central - Creating Entrepreneurial Opportunities) shared his class information with our current year sophomores and juniors. He brought along his class, and they shared the value they saw in taking the class. It was awesome to hear the valued takeaways they have from taking the class this year. As a side note, I am the liaison for the District on the CEO Board, and we are doing our best to recruit MACCRAY students to this excellent program.
- Our spring parent-teacher conferences started on 3/7, and the rescheduled day was set for 3/21.
- FFA week was rescheduled for later in the spring, after inclement weather would have put the week's events in shambles.
- BPA (Business Professionals of America) went to State over 3/9-3/10.

Upcoming:

- MCA's begin this week.
- Snow Make-Up Days: 3/13 and 3/27
- Lions Scholarship Dinner 3/27
- NHS Blood Drive 4/5

Side note: It was great to see you in action on Monday and Thursday at the interviews, and I wanted to share my thanks for the work you're putting in to find the right candidate to be our next Superintendent.

Respectfully submitted -

Superintendent Report to the MACCRAY School Board

1. Legislative news...While there is now over \$17 billion in the state budget there is a lot of disagreement on what to do with the money. To be brief, the governor is ready to sign and secure Universal Free Food for all students. Some school administrators around the state are disagreeing with him. I just saw data illustrating that we will actually get more funding in compensatory money in this system than when we used to have people fill out the FRL forms. (Compensatory money is used to support students with special needs but not necessarily special education.) Kim is busy working on a very cumbersome report for Minnesota Association of School Business Officials to try to calculate the costs of many of the mandates such as raising hourly rate employees to \$25 an hour. The numbers are staggering. The legislature wants to add many required courses for high school students. Adding courses the legislature feels are important reduces elective options for what we feel is important for our students. Our elective courses are the arts (music and visual arts), business, Career and Technical Education (CTE) and more. This is only the very tip of the iceberg.

Financially, education associations are lobbying for 5% and 5% on the formula to school revenue. The governor is proposing 4% and 2%. Neither of these numbers will be enough to fund the mandates the legislature is proposing much less avail us of the opportunity to negotiate with new money with staff which all schools will do starting soon.

2. Snow days AGAIN...I will post a possible motion or maybe even two on for additional makeup days for the March 13 board meeting. The following will be options for when and if the May 22 snow day gets used:
 - *Allow teachers two ePD days for the next two snow days. There is a wide variety of work teachers can do either at home or via ZOOM with their colleagues. By Monday, Mitch and Judd will have had a chance to meet with teachers to approve ideas created in staff meetings. Paraprofessionals can receive online training through Vector Solutions during the day if they wish to make up their day.
 - *Cancel two days of instruction for after the two ePD days are used. (Remember we still have snow season for another month.) We are at 1350 hours of instruction which is 330 hours over the state required minimum.

3. As I write this report it is snowing again. We are having BPA leave for state competition on time as I believe they will be driving OUT of the snow headed for Minneapolis. We played our boys basketball game on Wednesday night. MACCRAY was the only school in our section who opted for playing on Friday night instead. We thought it would be best to respect Wednesday night Lenten church services. But, we were outvoted by everyone else so we played. Jim did reach out to the ministerial via Todd Henker to share the decision making.

4. You have heard me speak of the tremendous work of Kim Hanson with Woodland Centers in Willmar. She has written millions of dollars worth of grants for public schools in the area. She is working to renew School Linked Mental Health and I will write a letter of support for her work so MACCRAY can continue this work for families. We currently host office space for almost one full FTE clinician and one practitioner to serve students with mental health needs. Related to mental health services, we will lose one part time retired social worker because we have hired her with ESSER money and she is going to retire again. We will try to secure someone in that place as long as ESSER money is available because she is currently busy almost all the time.

Is your child 3 years old? Then it's time for screening!
 2023-2024 Screening dates coming soon!

Did you know that screening is required in the state of Minnesota?

Screening allows health and developmental concerns to be addressed at least one to two years before a child enters kindergarten.

Screening is an early look at a child's development and is conducted by qualified professionals to help identify specific needs a child may have in these areas:

- *Fine and gross motor skills
- *Height and weight
- *Cognitive development
- *Vision and hearing
- *Immunizations
- *Speech/language dev.

The MACCRAY School District offers this service at no cost.

Please contact Kristine Klosterboer at klosterboerk@maccray.k12.mn.us or 320-847-2154 to schedule an appointment or if you are new to the district or your child needs to be scheduled for screening.

New baby or new to the district?

Being on the census ensures you will receive ECFE, screening, and kindergarten information when your child is eligible. If you are new to the community, recently had a new baby, or moved to a new address, call Heather at 320-847-2154, Ext. 1306 or shamlah@maccray.k12.mn.us to ensure that you are on our school census list.

Early Childhood Development

Milestones to age 5

help me GROW

Every child is unique. No two children develop, grow and learn at exactly the same pace. **And yet children develop in predictable ways.** The milestones indicated here are just some of the indicators that a child is developing typically. **Take notes as your little one learns.** Babies and toddlers are growing, learning and changing all the time. It's fun to watch! We suggest you keep track of the new things they do and the milestones they reach. If you are concerned about your child's growth, development or learning, we encourage you to contact us at HelpMeGrowMN.org or 1-866-693-4769

SUPERINTENDENT CONTRACT

ARTICLE I PURPOSE

This Contract is entered into between Independent School District No 2180, Clara City, Minnesota, hereinafter referred to as the School District, and Joshua Austad, hereinafter referred to as the Superintendent, a legally qualified and licensed superintendent who agrees to perform the duties of the Superintendent of the School District.

ARTICLE II APPLICABLE STATUTE

This Contract is entered into between the School District and the Superintendent in conformance with M.S. 123B.143.

ARTICLE III LICENSE

The Superintendent shall furnish the School Board, throughout the life of this Contract, a valid and appropriate license to act as superintendent in the State of Minnesota as provided by applicable laws, rules, and regulations.

ARTICLE IV DURATION, EXPIRATION, TERMINATION DURING THE TERM, MUTUAL CONSENT, AND CONTINGENCY

Section 1. Duration: This Contract is for a term of 2 years commencing on July 1, 2023, and ending on June 30, 2025. It shall remain in full force and effect unless modified by mutual consent of the School Board and the Superintendent or unless terminated as provided in this Contract.

Section 2. Expiration: This Contract shall expire at the end of the term specified in Section 1. above. At the conclusion of its term, neither party shall have any further claim against the other, and the School District's employment of the Superintendent shall cease, unless a subsequent Contract is entered into in accordance with M.S. 123B.143, Subd. 1.

Section 3. Termination During the Term: The Superintendent's employment may be terminated during the term of this Contract only for cause as defined in M.S. 122A.40, Subd. 9. and Subd. 13., but, except for purposes of describing grounds for discharge, the provisions of M.S. 122A.40 shall not be applicable. If the School Board proposes to terminate the Superintendent during the term of this Contract for cause as described in M.S. 122A.40, Subd. 9. or Subd. 13., it shall notify the Superintendent in writing of the proposed grounds for termination. The Superintendent shall be entitled to a hearing before an arbitrator provided the Superintendent makes such a request in writing to the School Board Chair within fifteen (15) calendar days after receipt of the written notice of the proposed termination. In such event, the parties shall jointly petition the Minnesota Bureau of Mediation Services (BMS) for a list of five (5) arbitrators. The arbitrator shall be selected by the parties through the striking process as provided by

BMS rules. The arbitrator shall conduct a hearing under arbitration procedure rules and issue a written decision. The decision of the arbitrator shall be final and binding on the parties, subject to judicial review of arbitration decisions as provided by law. The Superintendent may be suspended with pay pending final determination by the arbitrator. If the Superintendent fails to request a hearing as provided in this section within the fifteen (15)-day calendar period, he/she shall be deemed to have acquiesced to the School Board's proposed action, and the proposed action shall become final on such date as determined by the School Board, and the Superintendent shall have no further claim or recourse.

Section 4. Mutual Consent: This Contract may be terminated at any time by mutual consent of the School Board and the Superintendent.

Section 5. Contingency: If this Contract is a subsequent Contract entered into prior to the completion of an existing Contract, this subsequent Contract is contingent upon the Superintendent completing the terms of the existing Contract.

ARTICLE V DUTIES

The Superintendent shall have charge of the administration of the schools under the direction of the School Board. The Superintendent shall be the chief executive officer of the School District; shall direct and assign teachers and other School District employees under the Superintendent's supervision; shall organize, reorganize, and arrange the administrative and supervisory staff, including instruction and business affairs, as best serves the School District subject to the approval of the School Board; shall select all personnel subject to the approval of the School Board; shall, from time to time, suggest policies, regulations, rules, and procedures deemed necessary for the School District; and, in general, perform all duties incident to the office of the Superintendent and such other duties as may be prescribed by the School Board from time to time. The Superintendent shall pay the entire premium for such insurance commencing with the beginning of the leave and shall pay to the School District the monthly premium in advance. In the event the Superintendent is on paid leave from the School District under Section 4. above or supplemented by sick leave pursuant to Section 5. above, the School District will continue insurance contributions as provided in this Contract until sick leave is exhausted. Thereafter, the Superintendent must pay the entire premium for any insurance retained.

Section 13. Personal Leave: The Superintendent shall be entitled to 3 personal days (24 hrs) each year.

ARTICLE VII INSURANCE

Section 1. Health and Hospitalization Insurance: The School District shall provide the Superintendent and the Superintendent's dependents with health and hospitalization insurance coverage under the School District's group health and hospitalization insurance plan. The School District shall contribute the sum of \$36,000 per year toward the premium for such insurance. The balance of the premium shall be paid by the Superintendent through payroll deduction.

Section 2. Long-Term Disability Insurance: The School District shall provide, at its own expense, long-term disability insurance for the Superintendent under the School District's group long-term disability insurance plan.

Section 3. Eligibility: The eligibility of the Superintendent and the Superintendent's dependent(s) and beneficiary(ies) for insurance benefits shall be governed by the terms of the insurance policies purchased by the School District pursuant to this article.

Section 4. Claims Against the School District: The School District's only obligation is to purchase the insurance policies described in this article, and no claim shall be made against the School District as a result of denial of insurance benefits by an insurer if the School District has purchased the policies and paid the premiums described in this article.

ARTICLE VIII OTHER BENEFITS

Section 1. Tax-Sheltered Annuities: The Superintendent is eligible to participate in a tax-sheltered annuity plan through payroll deduction established pursuant to Section 403(b) of the Internal Revenue Code of 1986, M.S. 123B.02, Subd. 15., School District policy, and as otherwise provided by law. Section 2. Indemnification and Provision of Counsel: In the event that an action is brought or a claim is made against the Superintendent arising out of or in connection with his/her employment and the Superintendent is acting within the scope of employment or official duties, the School District shall defend and indemnify the Superintendent to the extent provided by law.
